Austin, TX- May 7, 2008: Latinas Unidas Por El Arte sponsored by Parkside, French, Seafood Restaurant and Raw Bar in collaboration with Azarmehr & Associates, P.C. would like to cordially invite you to their Fund Raiser: “Mercado de Grabado” / “Printmaker’s Market”, an evening of Appreciation and Support of the Arts and Arts Education.

Come enjoy appetizers and cocktails at Parkside, the new restaurant of chef-owner Shawn Cirkiel, who formerly had the five-star Jean-Luc's on Colorado Street. Cirkiel has emphasized the historic nature of the building, leaving much of the brick from the 1880s that was uncovered during the renovation of the space that previously housed Dan McKlusky's. This will be the setting for an exhibit of the prints made during LUPE Arte's first annual print making workshop taught by award winning artist, Miguel V. Bonilla as well as other art pieces by the children from LUPE Arte's program: Niños y Arte.

Azarmehr & Associates, P.C. is an immigration law firm based in Austin, Texas committed to the betterment of the Austin Community. Parkside restaurant is sponsoring LUPE Arte's exhibit and Art auction in their beautiful upstairs private bar, hall and patio over looking 6th Street.

LUPE Arte will exhibit and auction the completed workshop prints starting at 6:00 p.m. on Friday, May 30th.
